Dealership stamp

ENGINE

- E3 Engine having Xtra Power, Xtra Torque and Xtra Pickup
- Efficient Fuel Combustion (EFC) results in Extra Mileage and Extra Engine life for trouble free operations
- High End Torque of 278 Nm for pulling heavy trolley in steep slopes
- Bigger Turbo for delivering high power with fuel efficiency

SUPER STRONG OIB

- Most efficient 5 Disc Brakes
- Longer brakes life reduces maintenance
- Super strong brakes provide safe operations in steep haulages

NEXT GENERATION TRANSMISSION

- 100 % Super Synchro Gearbox for "Gear Shift on the Go"
- 12 F + 12 R gears combination for best quality work with better productivity
- Independent PTO for easier and safer operations
- Epicyclic reduction ensures maintenance free transmission which saves time and money
- Reliable and Tough transmission for the toughest haulage

FRONT WEIGHTS

- Factory fitted standard 6 Ballast weights - 160 Kg
- Optional rear tyre weight of 34 Kg in both tyres each
- Prevents tractors from front lifting
- Provides better control and safe operations in hilly regions

APPLICATIONS VERSATILITY

- Suitable for special applications like Loader, Harvester, Balers, Post Hole Digger etc.
- Economy PTO provides fuel efficiency in light applications like Alternator and Water pump
